

LUNCHTIME VIRTUAL TRAINING

Worldpac Training Institute (WTI) is launching a new Lunchtime Virtual Training series. The series features a comprehensive variety of diagnostic skills courses, electric and hybrid training, new vehicle technologies and manufacturer specific training courses taught by our industry's top trainers. Lunchtime Virtual Training classes are free to attend.

Each specialized technical topic will be presented Tuesdays and Thursdays, four times a week - once in each North American time zone.

Tuesdays

12 pm - 1 pm (Central)
12 pm - 1 pm (Pacific)

Thursdays

12 pm - 1 pm (Eastern)
12 pm - 1 pm (Mountain)

- Advanced technical topics
- The industry's top trainers
- Convenient time for you and your shop
- Q&A
- Free of charge

Get more from your lunch hour.
